Subject: Cancellation of participation in Artemis nSHIELD project by 1. June 2012

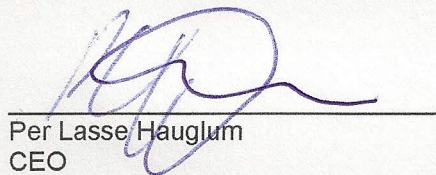

Dear Josef Noll

With this letter I would like to inform you that Scandinavian Mobile Technology AS can't continue in the nSHIELD project due to internal reasons.

Please ensure that our costs of 26.450 NOK, as reported in the NFR project report, will be covered according to the rules of NFR (33,3%) and EU (16,7%). I'm aware that the contribution to the JU Artemis is 1,5% of the costs.

Our account number, Fokus Bank 81010827523

Kind regards
Scandinavian Mobile Technology AS
